

SITE SAFETY ADMINISTRATOR - SPRINGFIELD, NE

Hunt Electric is a national design build electrical contracting firm grounded in the simple, powerful concept of performing efficient, quality work. Our loyalty is to our clients and our communities in more than 40 states. We are continually seeking individuals who are passionate about the electrical design and construction industry who want to contribute to our company growth. If you are driven, love what you do and hold yourself to a standard of excellence, we want to hear from you!

ROLE AND RESPONSIBILITIES

This role is responsible for providing site safety administrative support, monitoring workplace activities and ensuring compliance with safety protocols and procedures on our Springfield, NE job site.

- Develop efficient system to track and upload safety and training documentation.
- Review and maintain safety records and document appropriately and timely (i.e. Toolbox talks, Inspection, Pre-Task Plans).
- Filing all required documentation regarding the scope of the project.
- Coordinate new hire orientation.
- Ensure employees and subcontractors are attending jobsite orientation, developing and submitting Job Hazard Analysis.
- Ensure compliance with OSHA and site regulations.
- Provide logistical support for Safety trainings and meetings.
- Maintain inventory of safety equipment.
- Monitor safety performance of on-site workers to determine vulnerability.
- Ensure workers are wearing the proper PPE.
- Educate workers about the company's safety policy and procedures.
- Complete special projects and duties assigned by the Safety Department or Project Management.

QUALIFICATIONS AND EDUCATION REQUIREMENTS

- High School Diploma or equivalent.
- Intermediate skills in Microsoft Word and Excel, with ability to learn internal Software system.
- Three (3) years of construction safety and/or administrative support experience preferred.
- Associate's or Bachelor's degree with concentration in Occupational Safety, Environmental Health, Risk Management or related field preferred.
- OSHA 30 certification preferred.
- Strong oral and written communication skills with ability to communicate with individuals with a variety of backgrounds.

KEY COMPETENCIES

- Excellent organizational skills.
- Strong attention to detail and problem solving skills.
- Self-starter and able to work independently and in a team environment.
- Excellent verbal and written communication skills.
- Ability to prioritize and manage multiple responsibilities.
- Ability to meet daily deadlines.
- Excellent customer service skills.
- Positive attitude, along with maturity and dependability

PHYSICAL REQUIREMENTS

- This job operates at a job site and exposed to hazards typical of a construction site, requiring work books at all times, as well as occasional use of a hard hat, high visibility vest, eye protection and gloves.
- This job operates in an office trailer on a construction site most of the time, and occasionally may be required to work in the construction zone.
- This role routinely uses standard office equipment such as computers, phones, filing cabinets, photocopiers and fax machines.
- Employees are frequently required to sit, and occasionally required to kneel, reach, stoop, crouch or crawl.
- This position requires the ability to lift files, open file cabinets, and bend or stand as necessary.
- This position may occasionally lift up to 25 pounds.

BENEFITS

Hunt offers a competitive total compensation and benefits package, which includes 100% employer paid health insurance, dental insurance, vision insurance, basic life insurance, paid vacation, sick and holiday time, 401(k) Profit Sharing Plan with an employer match and participation in the Employee Stock Ownership Plan.
